Features Summary

- **Solid and ergonomic design**
The smart and slim **47 cm** display is cased within **an attractive black chassis** which is easy to integrate into any modern office or home environment with space limitations.

- **White LED technology**
Integrating white LED technology minimizes environmental impact. And up to **68 percent lower power consumption,** improved durability and mercury-free materials translate to big savings and preservation of nature's energy resources

- **Brilliant color with crisp results**
The generous **contrast ratio of 8,000,000:1** creates crisp images and detailed data results.

- **Acer EcoDisplay management**
Acer V193HQL is EcoDisplay-Ready, complying with Acer's commitment to carry out product design and materials management distinctly meant **to reduce environmental impact.** EcoDisplay-ready LCD monitors have achieved environmentally friendly design status in the following ways:
  - o   Capacity for product recycling.
  - o   Management of restricted. substances.
  - o   Power-saving design white LED.
  - o   Product thinness and minimalist packaging design.
  - o   Mercury Free.

- **Acer eColor Management**
The acer Empowering Technology enables users to fine-tune and personalize the display settings by **redefining the color precision** according to the work mode whether data, media, cinema or images.

- **Acer eDisplay Management**
Acer eDisplay Management is a powerful display tool enabling advanced **color calibration** and display management for previewing and adjusting all settings enabling winning results!

- **High quality and long term viewing**
The V193HQL integrates only Class A panel guaranteeing a consistent image, also certified by **TCO 03** and **ISO 13406-2** qualifying the display as high quality in terms of design and performance.
