CD3200

32" COMMERCIAL LCD DISPLAY

Get your message across, brilliantly

ViewSonic's 32" CD3200 Commercial Display is designed for use in educational, retail, public and commercial signage applications. This widescreen LCD ACCOMMODATES MIXED MEDIA CONTENT with enough room for movies, internet content, digital pictures, PowerPoint, Flash files and much more. Wide viewing angles, high brightness and contrast and 1366 x 768 native resolution display crystal clear images in virtually any room lighting while the fast 8ms response time delivers fast-action video. MULTIPLE INPUTS INCLUDING HDMI, S-video, component, composite and PC VGA, give you plenty of connectivity options for all your digital signage needs.

With ViewSonic displays, you'll always be in time.

HIGH DEFINITION DIGITAL SIGNAGE

> **Vivid graphics, clear text, stunning video**
Ultra-high brightness of 500cd/m² (typ.), high contrast ratio of 1200:1 (typ.), and 1366 x 768 optimum PC resolution provides vibrant video and crisp data images on the desktop or in the living room.

> **Expand your options with plug-and-play connectivity and universal remote control**
This HDTV-ready, LCD provides the ultimate viewing experience with plug-and-play, high-end connectivity for other HD devices and content.

> **OptiSync® technology featuring HDMI**
Add versatility to your LCD with support for HDMI with high-definition content protection (HDCP) and analogue (VGA) signals, plus component, S-video, composite, and video input.

> **Optional stand and speakers**
Installation options include wall or counter mount. Add audio to you video content with optional speakers.

> **Complete digital signage solution**
Add an NMP-530 Network Media Player and choose scheduling software from Best Wave to implement a complete digital signage solution.
